

27 "Wappeln chw's' n.
Dipòr'an'm

1875. At Weston also we find
Mosses and ferns in abundance.
Also the first signs of
the first signs of vegetation.

5. A very early morning walk around
various parts of our new cabin

~~and~~ is very much so, always in
Russia & w^o women & children &
men; & women in particular
are very.
