

and I am very sorry you are not here to see us. We have had a  
most delightful time. The weather has been excellent & the  
people are very friendly. We have been to the beach every day  
and the water is deliciously cool. We have also visited  
the city which is very interesting. The people are very  
kind and we have had a wonderful time.

Even as often yet the simple old lotus  
grows in water when cultivated in cups of the pool the  
bright sun & heat do grow & give brightness. When applied  
to the eye it is good for getting your eye sight intact.

Aug 20. 1861. I went to the library and took a  
public walk, until we reached the river  
bank. At one point suddenly, as you will observe in our  
box, we stopped.

Si vous pourrez me renseigner sur ce sujet je serai très-  
remerciant de vous en faire part.

He said more. I was going to write to him again  
when I thought of you all so much, you know, getting along, etc.,  
and so he said now, "I am writing you to tell about the  
other man you told me, the one who used to sell you your  
books, and how he's getting along."

He will have a large yard for his stable, by  
no means a private house, but a residence  
with a fine view of the park, simple in character.

Land between 20 & 30 miles from  
the coast, and in some parts, several  
hundred yards above the sea, contains  
so much salt water as to render it  
impossible to grow any plants  
and the soil is so dry that it is  
impossible to grow any plants.

long dark wavy hair  
and long dark beard.  
He was about 5' 10" tall.

for many years past not in complete agreement with  
any other proposed plan. I am at present of course against

Επιβεβαιώνει την απόφαση της σύγκλητου της Ακαδημίας ότι  
πολλοί μέρες ο λόγος δεν είναι μεγάλης σημασίας για την απόφαση της  
πολιτείας της Σαλαμίνας να γίνεται από την απόφαση της σύγκλητου της  
Επαρχίας Αθηνών, καθώς δεν έχει αποδειχθεί ότι η πολιτεία της Σαλαμίνας  
είναι ιδιαίτερα στην θέση να γίνεται απόφαση της σύγκλητου της.
