Dear Sirs
I am very sorry to inform you that our agents in Asia
have given up their commission to collect specimens for you
and you will have to turn to me for specimens in my opinion
you will find it much more difficult to do so.

State of our old auto now 4pm - &
just a few minutes from home so the
late price of coffee etc will not be a
problem & I don't want to take a taxi that
way so I think we - just your father
and mother this is our opinion to get out as we

The airport is in perfect condition with
good info signs in the arrivals hall.
Now, the car hire agency is simple and straight
forward which is good news, on the
contrary, most cars in other parts are not
so easy to rent so I think it's a good idea to plan
your trip in advance because there is
not much time to do so in the start, you
will have to take a taxi in this case. In fact
there is no airport shuttle bus so you will have
to take the bus to the hotel and back again
so make sure that you know the route well and
that you understand the bus system. I would also
recommend staying at a budget hotel as there
are many options in the area.

We left the airport by bus and took the 1200m
long road to our hotel, which was very
conviently located, just off the main road and not far
from the beach, a great place to stay when you're
on vacation. We stayed at Hotel Hellenic, which
is located at the end of the 1200m
road and was quite nice. The room was
modest but comfortable and had all the
amenities you'd expect from a hotel. It
was a bit expensive though, especially
for the location, but it was worth the money
as it was a great place to stay.

From the hotel we went into town to go to
the bus station to catch the night bus to
our next destination. We had to wait
about 30 minutes for the bus but it finally
arrived and we got on board. The bus was
crowded but we managed to find seats.
We sat in the front row and enjoyed the view of the
city as we drove through the streets. The
bus stopped at various stops along the way and
we got off at each stop to look around. We
spent some time at each stop and eventually
arrived at our destination. We were happy
with our choice of bus and would definitely
take it again if we had the chance.

We arrived at our destination and got off
the bus. We saw a sign for a local pub
called "The Greek" so we decided to stop
there for a drink. The pub was quite small
but had a great atmosphere. We ordered a
few beers and enjoyed them. The staff
were friendly and the beer was delicious.
We spent some time at the pub and then
got back on the bus to head back to the city.
