

22. p^r. 1832 Ενοχ - αβ, 213
Εφ^x, 1774

I have been in the country
 and the weather is very
 warm and pleasant here.
 The people are all well
 and the crops are doing
 very well. I am glad to
 hear from you and hope
 you are all well too.
 I will write again soon.
 Love,
 John Smith
