

1824. 3. 29. The Academy of Athens
 has received from the Ministry of Education
 a copy of the report of the Commission
 appointed to examine the accounts of the
 Academy for the year 1823. The report
 is in French and contains a detailed
 account of the Academy's affairs.
 The Commission has found that the
 accounts are correct and that the
 Academy has been managed with
 economy and efficiency. The report
 also contains some suggestions for
 improving the Academy's work.
 The Academy has decided to accept
 the report and to implement the
 suggestions. It has also decided to
 publish the report in Greek.
