

Academy of Athens

The original text is a handwritten letter in Greek, written in a cursive script. It begins with the date and location: "to Navarino 9/25 July 1836". The text is densely packed and covers most of the page. There are several lines of text that appear to be crossed out or heavily scribbled over, particularly in the middle section. The handwriting is somewhat faded and difficult to decipher in many places. The text seems to be a personal or official communication, possibly related to the military or administrative situation at Navarino during the 1830s.
