N 26. June 1840. 41. 21. 21. 21.

Handwritten text in Greek script, likely a letter or official document. The text is written in a cursive style and covers the majority of the page. It appears to be a formal communication, possibly related to the Academy of Athens, given the header. The text is somewhat faded and difficult to read in many places due to the age and condition of the document. There are some ink blots and a large dark mark in the center of the page.
