*Ωμηρούσας γε. Εγγενερίας, γαῖας οὔπομ. Ιδιώτων
Πατέρων οἵτε γαῖας οὐαγόντων γε.*

It is very true that the author of the
present work was ignorant of the
language of the people he describes, and
that he has therefore been compelled
to use a language which is not his own.
He has, however, made a good use of
the language of the people he describes,
and has given a good account of their
language and customs.
