The first of these is the
 fact that the system is
 not a simple one, but a
 complex one, involving
 many different factors.
 The second is that the
 system is not a simple
 one, but a complex one,
 involving many different
 factors. The third is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The fourth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The fifth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The sixth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The seventh is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The eighth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The ninth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors. The tenth is that
 the system is not a simple
 one, but a complex one,
 involving many different
 factors.
