Lieber
 Herr Dr. Springer

copy! For your use. night. 1854.

39

" I have cast down your priests, I have
 slain your king. No more shall you have
 a king, nor shall you have a priest, nor shall
 you have a sacrifice, nor shall you have
 a temple, nor shall you have a city, nor shall
 you have a people, nor shall you have a name;
 you shall be as a people without a name, as
 the nations are, which are without a name."
