

Harvard 16 - Dec 1860

[illegible][illegible]

It is a great deal of time and money to be spent in the
 study of the history of the world, and the study of the
 history of the world is a great deal of time and money
 to be spent in the study of the history of the world.
 It is a great deal of time and money to be spent in the
 study of the history of the world, and the study of the
 history of the world is a great deal of time and money
 to be spent in the study of the history of the world.
