I have been thinking much lately
 of the many things which are
 going on in the world, and
 how they all seem to be
 leading up to some great
 end. It seems as if we were
 living in a time of great
 change, and that the old
 ways of doing things are
 passing away, and new ones
 are coming in their place.
 I feel that we are entering
 upon a new era, and that
 the future holds many
 possibilities for us. I am
 hopeful, and I believe that
 we will overcome all our
 difficulties, and build a better
 world for ourselves and for
 those who come after us.
